CLERK, U.S. BANKRUPTCY COURT
WEST DIST. OF PENNSYLVANIA

PROCEEDING MEMO

MATTER: #2 - Continued Confirmation of Chapter 13 Plan Dated 9-3-17 (NFC)
#15 - Objection filed by Nationstar Mortgage

APPEARANCES:

Debtor: David A. Colecchia
Trustee: Owen Katz

NOTES:

Katz: The plan payments would need to increase to \$1,248 per month following the denial of LMP, which would not be feasible.

Colecchia: That is correct, it is not feasible because the debtor has lost his child support payments. However, he may be eligible to receive over \$4,000 a month in VA benefits if he has time to secure his records indicating that he was on guard duty. However, it will likely take almost 4 years before he can appear before an administrative law judge.

Court: It does not appear that there has been any forward progress made in the case. Four years is too long to wait.

Colecchia: If I could have 90 days to see if I can secure the records, we may be able to expedite the resolution of the issues.

Katz: We would have no objection to a continuance. The debtor has been making payments.

OUTCOME:

1. The hearing on Plan Confirmation [Dkt. No. 2] is continued to February 13, 2019 (Text order to issue).
2. On or before January 3, 2019, Debtor to file a Status Report detailing all efforts expended to secure an award of benefits from the Veteran's Administration, and the anticipated timeframe for any required adjudication or distribution (Text order to issue).
